

Tilgate Forum meeting 21st March 2019

Quiz night with fish and chip supper: report

38 people attended and formed themselves into 9 teams, with a table each. Borough Councillors Carlos Castro, Francis Guidera and County Councillor Duncan Crow were all present, as well as Tilgate Park manager Nick Hagon.

Orders were taken at the door for food, and 32 fish and chip suppers (£5.50 each including drink, roll and butter) were purchased. The meals were organised by Don Garner, and the kitchen was organised by Lindsay Thompson and Liam Richmond. The event broke even financially.

The quiz was led by Jean Elmer and the first part was started while we waited for food to arrive, pausing while the food was delivered and eaten. The quiz resumed after the food was cleared. Congratulations to the team from The Oaks school which won the quiz and won the chocolates!
